

Space is still available in Close Up's Student Summer Academy! The Student Summer Academy is a great way for your students to have a fun and impactful summer experience.

This 6 day program will give your students the best of all worlds:

- 1) an in-depth look at our government using Washington, DC, as a living classroom,
- 2) the opportunity to live and learn with peers from schools nationwide; and
- 3) the chance to earn college credit from the University of Virginia.

Here is the link to our Summer Student Academy Fact Sheet that you can share with your students: [http://www.closeup.org/lib/SummerAcad09\\_FactSheet.pdf](http://www.closeup.org/lib/SummerAcad09_FactSheet.pdf). We also have posters available to post in your school, so let us know if you would like us to send you additional materials.

Please contact me if you have any questions! I look forward to having your students participate in a summer experience they are sure to remember!

Sincerely,

Tisha Finniff
