 2. **Valid Email Address**- You will be notified via email, if selected to receive a scholarship
-

Application Process- Sections

- Personal Information- This section asks for basic information such as name, address, email address, IRSC Student ID, etc.
 - Opening Questionnaire- This section helps determine what type (Annual, Health Science, Bachelor's, Transfer) of scholarships you should apply for.
-

Application Process- Sections

- Academic Information- This section asks you to enter your high school graduation information. You will also be asked what your desired major at IRSC will be, and your expected IRSC graduation date.
 - Financial Information-This section asks for your employment/income information. You will also be required to supply information on your parents and/or guardians.
-

Application Process- Sections

- Free-form Criteria- You will be asked a series of questions, in which you must reply in essay format. It is very important that you pay close attention to grammar and punctuation.
 - Recommended Scholarships- This is the final step in the application process, and the most important one. You will need to read each criteria to determine if you would like to apply for each scholarship listed.
-

Additional Opportunities

- We encourage students to also visit the IRSC Foundation website for outside scholarship opportunities and deadline information.
