

Dear Colleagues,

I am very excited to let you all know about an innovative Study Skills program being offered this summer. This program targets students who are average readers age 10 and up. The students will focus on reading comprehension, identification of key concepts, organization, time management and test preparation. This program is also very effective for students with ADHD.

Who: 4th -12th Grade students and above (College Students are welcome)

What: Study Skills Summer Program

When: June 8-August 21 (two week sessions Mon,-Thurs.)

Where: St. Edwards High School

\$175.00 per student for 8 – 1 hour sessions including a customized home study guide and individual study program.

3 – 5 students per 1 hour session.

For more information or to register, please call Mr. Lori Frank 772-696-3064 (lorimfrank@bellsouth.net) or Mr. Jess Frank 561-213-8579(jess@pga.com)

Please pass this information on to any students or parents you feel would benefit from this phenomenal program.
