Dear Parent/Guardian:

As we wrap up another successful school year of high school athletics, we are already preparing for next year's sports seasons. Part of this preparation includes the implementation of our "**Pay to Participate**" for all student athletes, beginning with the upcoming 2010-2011 school year.

Due to recent budget reductions, each student athlete will be required to pay \$65.00 in order to participate in high school athletics. This fee will be a one time, per year, non-refundable payment, that will cover an athlete whether they play one or more sports throughout the year. Funds that are generated from this fee will be used to support various athletic programs.

Upon payment of the \$65.00 participation fee, the student athlete will receive an athletic department pass. This pass will allow the student free admission to all home athletic contests for the 2010-2011 school year, with the exception of football games and any playoff contests.

It is the district's position that no student will be turned away because of inability to pay. If a financial hardship exists, the student athlete may contact the head coach and/or athletic director in order to make alternative arrangements.

In an effort to provide you with additional information regarding this program, we have attached a Q&A document to this letter. We appreciate your understanding and cooperation in this matter. If you have any further questions, please feel free to contact the Athletic Office at 564-5544.

Sincerely,

Eric Seymour
Principal
